

L-25—First Presbyterian Church, Spartanburg, S. C.

8A-H3180

Dear Pop,

This church is in the  
"big shot" section of the town.  
Notice again how clean and  
neat everything looks. This  
is right around the  
section where the big  
colonial homes are. You  
can see it's a new and  
modern building again.  
You can't see all of the  
church. There is a lot  
more ground around  
this church to help make  
the appearance. The soldiers  
usually fill this church  
every Sunday. Love  
Bill
